

Statement of Faith

"But if we walk in the light, as He is in the light, we have fellowship with one another, and the blood of Jesus, His Son, purifies us from all sin." 1 John 1:7

This statement of faith is a bit different from most that we have seen. Our goal in developing it was to let God's word divide His people according to His word and not according to the opinions of men. We went through the Bible and looked for things God does not allow in His people. The first part of this statement is this list of "prerequisites". It may seem strange to you, it seems that way to us as well but we think that God is the one who knows best and we accept His protection. All information you provide is kept confidential.

As Christians we hold that the Bible, consisting of 66 books in the common cannon (Genesis - Revelation) is the Word of God and that it is the governing authority in our lives. As Christians we agree that the whole word of God is true and relevant in the lives of every person that believes, now and always. As such God, through inspired men, is the author of the Bible and we follow His instructions. God makes it clear to us that none of the following are to be tolerated within Christian fellowship:

Prerequisite of membership:

A person that is actively involved in or has been involved in and not **repented**** of any of the following may not join or be a part of Calvary Christian School:

- Adultery & sexual immorality, Leviticus 20:10, Acts 15:20
- Lying to the Holy Spirit, Acts 5: 1-11
- Worshipping or serving other gods other than the God of Abraham, Isaac and Jacob, Exodus 22:20, Matthew 22:37, Deuteronomy 6:5
- Atheism, Matthew 22:37, Deuteronomy 6:5
- Homosexuality, Leviticus 18:22, Matthew 19:4-5
- State Homosexual Unions (Marriage is between one man and one woman the idea of "Gay marriage" is a **fiction** according to God's word.) Matthew 19:4 & 5
- Abortion, Leviticus 20:1-5
- Child abuse, incest or pedophilia Leviticus 20:17,
- Rape, Deuteronomy 22:25
- Witchcraft or necromancy, Leviticus 20:27, Exodus 22:18
- Prostitution, Leviticus 21:9
- Murder, Exodus 20:13
- Eating food polluted by idols, meat of strangled animals or blood, Acts 15:20

This list is not exhaustive, it represents part of the instructions of God that cause a person to be put out of the community of believers. You may be involved in another activity not listed and if you are in doubt please ask for more information. We hope to refine these things with more information as we learn and grow.

*This is the agreement of the terms for joining Calvary Christian School and participating in ANY of our fellowship functions. By signing you agree before God that you are not knowingly participating in and or that you will not participate in any of these actions as a member of Calvary Christian School. You also agree that if you are unknowingly participating in any of these things and you discover that you are, you will repent immediately or leave Calvary Christian School immediately until such a time as you have repented**. You also agree that if you are discovered to having knowingly lied about your involvement in any of these actions and it is discovered and verified that you are or have been and not **repented** of them that you will be immediately expelled from Calvary Christian School with no refund or recourse available on your part.*

Please indicate here anything you may struggle with or have struggled with and that you would like CCS to be aware of, like help with, or consideration for. (ie. alcoholism, pornography, ect.)

***"Repent" means to change one's mind about something and to agree with and obey God in regard to the thing. For example a person that repents of adultery would acknowledge that they were wrong about committing adultery, they would stop committing adultery, ask forgiveness from God and others and they would make restitution for the damage they have caused. We understand that repentance may be a process of recognizing the sin, having a desire to turn from the sin, and needing help to do so. We want to help along with believers in your life, church, family, etc. All of us have gone through issues, the important thing is that we are open and honest about what we struggle with and that we are willing to change.

General Statement of Your Faith

If you have agreed to the prerequisites of membership we also require that you read and honestly share your position on the following generally held Christian beliefs that are derived from the Bible. **No honest answers to the following will disqualify you from membership.** We understand that each of us are growing and we want to facilitate growth through understanding and compassionate dialogue. Knowing where you are at and where others are at on these issues will help us all understand each other and grow together.

Code of Conduct

1. Please show the necessary respect and consideration for those in charge of all CCS events and activities including volunteers and employees who direct or guide CCS field trips. Everyone is expected to listen attentively when parents or others directing activities are speaking, so they can learn and show appreciation for those who are taking the time to contribute to our educational process.
 - ◆ Any disrespect shown will result in the child sitting out with a parent.
 - ◆ Should the disrespectful behavior continue, the family will be asked to leave the event.
2. Colossians 3:17 says, "And whatsoever you do in word or deed, do all in the name of the Lord Jesus, giving thanks to God and the Father by Him." Please act, speak, and dress in such a way as is becoming of a Christian: modesty, kindness, compassion, male and female birth gender specificity, and conversation that will not offend others intentionally. Wholesome friendships are encouraged among all of the students of CCS, and it is expected that boys and girls shall demonstrate character in keeping with that of brothers and sisters in Christ.
3. Park Days and/or PE Activities are provided to allow the children time to play and interact with one another along with physical activity. No rough play, hitting, pushing, or bullying of any kind will be allowed. Forgiveness will be emphasized when small offenses occur.
 - ◆ Children who choose to not respect any other children's space or exhibit other inappropriate behavior will be asked to sit out during the rest of the Park Day/Activity.
 - ◆ Continued disregard for the rules will result with expulsion from the activity.
 - ◆ If the same behavior happens at the next Park Day/Activity, the child will be suspended from all such activities for the rest of the quarter.
 - ◆ A third time shall result in expulsion from CCS.
4. It is expected that the property of any place that a CCS event occurs at will be respected. Parents shall please remind their children that they need to not touch, climb on, trample through, etc. things that belong to others.
5. The use of alcoholic beverages, tobacco products, marijuana, illegal drugs, vaping paraphernalia or weapons are not permitted at any CCS function.
 - ◆ First infraction will result in the child being expelled from the activity
 - ◆ Second infraction will result in the child being expelled from CCS.

It is often uncomfortable for the adult(s) in charge of an event to discipline someone else's child. We believe that it is the parent(s)' responsibility to be in charge of their children; however, if necessary another parent may step in to assist you. At no time; however, shall anyone use any type of physical response toward anyone else's child unless that child is in danger. Please teach your children the expected appropriate behavior and attitude and that the adults in charge of the activity have been delegated by CCS and you, the parent, to verbally address any inappropriate behavior. Thank you for your help and cooperation.

Field Trip Guidelines

1. When a field trip has a deadline for sign-up due to the necessity of planning, sign-up deadlines will be strictly adhered to. A waiting list may be formed in case a family/families need to cancel and space becomes available.
2. Please notify the person(s) in charge of the particular field trip, or Kathy Ehinger if they cannot be reached, if for some reason you will not be able to attend. This way, if anyone is on the waiting list they will be able to take your place.
3. Field trips which require a payment should have checks made out to CCS, unless otherwise noted; please only one event per check to alleviate any confusion in the bookkeeping department.
4. CCS field trips are open to all CCS families, including grandparents and siblings unless otherwise noted. Each CCS family is responsible for their guests. Prices may vary for guests according to some field trip guidelines. Any extra fees that may be incurred should be included in the check made out to CCS by the member family.
5. All field trips are planned as parent participation trips. Your child may attend field trips with another CCS family if a **CCS Parental Consent** form is completed with an attached copy of your **Emergency Health/Medical Release** form, and it accompanies your child(ren) on the field trip. This form is included with your CCS paperwork for you to copy if/when you need one.
6. Refunds cannot be guaranteed for some field trips, so please make sure the times and dates will work for you before signing-up for any field trips.
7. Again, please be considerate of those planning the field trips and give them enough notice should you not be able to attend for any reason.
8. Please remember that you are responsible for your child(ren)'s behavior at all times. Please follow the rules of the facility being visited as well as the CCS **Code of Conduct**. Please do not allow your child(ren) to run around without supervision at the field trip location before and after the actual event begins and ends.
9. Remember, it is not only CCS that is being represented but homeschooling in general; not to mention the desire to honor the Lord in all that we say and do.

Health and Safety Policy

Introduction: CCS will strive to protect the safety and health of students in our school as well as their families. This health and safety policy has been developed from the guidelines recommended by the Center for Disease Control, the National Association of State Boards of Education, the California Department of Health, and the California State Board of Education.

Privacy: Students, Parents, and Directors of CCS are not required to disclose personal health information to anyone. If information or speculation about an individual's health is shared with the Directors for the purpose of assessing potential needs or enforcing school policies, such information is treated as highly confidential. Access to student health records and related information is available only to the Directors and to the student or, if the student is a minor, to his/her parent or guardian, except as required by law.

Education: With the goals of healthful living and avoiding risks of injury, illness, and disease, Calvary Christian School will make this Health and Safety Policy available on an annual basis and will require, as a condition of enrollment, that every parent or guardian sign a notice of receipt and agreement to follow these policies at all school activities.

Enrollment: No student will be denied enrollment in Calvary Christian School based solely upon the presence of an injury, disability, illness, or disease. However, under certain conditions (explained below under "exposure control") a student may be excluded from participation in group activities.

School Entry Health Exam: Parents of a child entering kindergarten or the first grade if they skipped kindergarten are required by law to have a physical exam and to submit a "Report of Health Examination for School Entry" (PM171A) or a "Waiver of Health Check-up for School Entry (PM171B). This report is kept on file with the student's permanent records.

Immunizations: Calvary Christian School requires that all school families abide by California's current vaccination policy or provide an exemption for children not vaccinated. Starting January 1, 2016,

- Parents or guardians of students in any school or child-care facility, whether public or private, will no longer be allowed to submit a personal beliefs exemption to a currently required vaccine.
- Students will no longer be required to have immunizations for entry if they attend:
 - ♦ A home-based private school or
 - ♦ An independent study program and do not receive classroom-based instruction.
- Students who have an individualized education program (IEP) should continue to receive all necessary services identified in their IEP regardless of their vaccination status. However, parents or guardians must continue to provide immunization records for these students

to their schools, and schools must continue to maintain and report records of immunizations that have been received for these students.

A parent or guardian must submit a written statement from a CAIRE-ME approved physician (M.D. or D.O.) which states:

- ◆ That the physical condition or medical circumstances of the child are such that the required immunization(s) is not indicated
- ◆ Which vaccines are being exempted.
- ◆ Whether the medical exemption is permanent or temporary.
- ◆ The expiration date, if the exemption is temporary.

Effective Jan 1, 2021, all exemptions must be processed through the CAIR-ME website. This medical exemption must be on file with Calvary Christian School.

Requirements listed for children in grades K—12 as well as requirements for 7th grade are listed at www.shotsforschool.org/k-12/ . They will need to provide documentation of having received the following vaccines. 1) Diphtheria, Tetanus, and Pertussis containing vaccine (DTaP, DTP, DT, Tdap, or TD) 2) Poliomyelitis (OPV or IPV) 3) Measles 4) Mumps 5) Rubella 6) Varicella (chickenpox), Hepatitis B.

As a Christian organization and a proponent of United States and State Constitutional Rights, and Parental Rights, we believe that forced/mandatory vaccinations required by the government are a violation of God's law, Parental rights, and the Constitution.

Parents/Guardians of all students must present a signed waiver, or written immunization record to be kept on file by the school **within 10 days of enrollment.**

Exposure Control: Because of the family nature of the program offered by CCS, policies and procedures adopted in institutionalized school settings may not offer the level of safety necessary to reasonably prevent health hazards. While no one can guarantee that an injury will never occur nor illness or disease be contracted, the following policies are adopted for the health and safety of all students and their families.

Injury Prevention:We recommend the following guidelines, adapted from the Center for Disease Control guidelines and for our unique educational setting that:

- all parents and students in grade 9 and above take the Basic First Aid and CPR course offered by the Red Cross.
- if an injury to a child occurs at a CCS sponsored activity, the parent of the injured child should be the person to give first aid or other treatment.

Presence of a Contagious Illness or Disease: Students and family members may not participate in group activities sponsored by CCS if they are ill with a contagious disease. If you are ill, please stay at home to avoid exposing others. If it becomes clear that someone is sick with any condition which may cause a health concern for others, that person will be asked to leave and will be excluded from CCS sponsored activities until he/she is past the contagious period.

Notification of Exposure to Communicable Disease: Whenever the directors or a parent believes that a student who is or is not completely immunized against a particular communicable disease may have been exposed to that disease, that information will be communicated to the student's parents or guardian and to the local health officer by the director of CCS. Along with the recommendation of the local health officer related to the student's risk of developing the disease, the director may require the exclusion of the student from CCS sponsored activities until the end of the incubation/contagious period of the disease.

Ongoing Medical Conditions: If a student or a member of their family involved in CCS has a continuing medical need, CCS will make a reasonable effort to accommodate those needs while balancing those needs with the overall needs of the group. If you are unsure whether a particular activity can accommodate specialized equipment or other needs, please ask before attending the CCS activity.

Administration of Medicine or Procedures: No one other than the parent or guardian of a student may administer medication or other medical procedures (inhalers, insulin shots, pain relievers, etc.) to that student.

Parental Supervision: We require that a parent or guardian attend all CCS sponsored activities. In the case of an illness or condition which presents any special or emergency care, we require that the parent/guardian remain close so that they may be the first one to respond and administer first aid, medication, etc. to their child for both the safety of their child as well as others present at the activity.

Exclusion from CCS Activities: No student or family member will be permanently excluded from activities sponsored by CCS based solely upon the existence of a medical condition. If the particular condition creates a risk to others or is a need which CCS cannot accommodate without detriment to other CCS members, the directors will meet with the parent to attempt to resolve the issue consulting with local health officials or by obtaining other medical advice if necessary to assist in determining appropriate action. In such cases, the decision of the directors is final.

Expulsion: Failure to follow these guidelines may result in immediate expulsion from CCS.

Release of Liability

We desire, as a Christian program, to respond Biblically to any and all conflicts or injuries that may arise within, or during a school-sponsored event of, Calvary Christian School. We are not expecting such concerns; however, we do believe that it is best for all concerned to make clear the position of Calvary Christian School prior to any unanticipated mishaps.

At every school-sponsored activity, parents are solely responsible for their own children. Children will not be allowed to attend any CCS function without a parent. We do not encourage it; however, if a parent needs to send their child/ren to a CCS activity with another adult, CCS member as a temporary guardian, a Parental Consent Form must accompany the designated authorized adult along with a copy of the family Emergency Health/Medical Release Form. The temporary guardian is then fully responsible for the child/ren under their care.

Any special guests, such as relatives or out-of-town guests who accompany members to any activity are under the sole responsibility of that member in regard to behavior, injuries, damages, etc. Calvary Christian School will not be held responsible for any damages or injuries incurred by any family or guests of a CCS member. It is expected that those involved in any dispute or mishap will respond Biblically (Matthew 18 & I Corinthians 6); however, CCS will in no way be responsible for the resolution of any such incidents.

We require the health/medical release form in case of an emergency to be put on file. No child will be allowed to participate in school activities without a copy signed by the parent or guardian or each child.

I have read the above and agree to hold Calvary Christian School harmless, both now and any time in the future, in the even of any damages or injuries to me, to my child/ren, to my guests, or to my property. I understand that my family will not be allowed to participate in any CCS sponsored activities unless we agree with and sign this Release of Liability. (You will keep this copy and sign the Parent Signature Page to verify that you have read and signed this form). Thank you.
